

**Grand Opening of the Mustang-Panther Stadium
Memorabilia Wanted**

Grapevine Colleyville Independent School District has invited the community to participate in collecting items for an exhibit of memorabilia at the new Mustang-Panther Stadium. All your high school treasures tucked away, almost forgotten, are what we need to help tell the GCISD story.

Dig up that girls' basketball uniform from 1920-21 or that Letter Jacket with hard earned patches. Find your Majorette's Baton, Fillies uniform, or original music and words of School Song. Rummage through your attic for personal awards and trophies from your glory days. Yearbooks and photos of faded memories would also make great displays!

Memorabilia Requirements:

- Items from between 1908 and current (the older the better)
- From either Grapevine High School or Colleyville Heritage High School
- Items for display should exemplify honor, distinction, and excellence of GCISD students and activities

The selection committee will review the forms submitted to keep a fair and balanced approach to ensure each time span of GCISD's history is represented. The donor will be notified should their item be selected for the Memorabilia Collection. At that time, items will need to be delivered to the Grapevine Museum.
